## Portrait Sessions

Families, Children, Maternity, Babies, Seniors, Business Portraits, and more.

All packages can be customized to fit your needs. Pick a place and then build your own package. Feel free to contact us if you have questions.

### Photo Session - \$90

There is no time limit - we shoot as long as we need until we have a good selection of images. Most sessions last between 30 to 60 minutes, while baby sessions may last a little longer. We shoot on location, so we can go to a favorite park, your house, downtown, etc....Or come out to where we live for something new in a valley farm setting. Please contact us for travel estimates outside of the Springfield, MO area. Holidays and holiday weekends may include an additional amount.

### Packages and Prints

Pick a package from below, add any additional prints you need, or just create your own custom print package from the start. There is no minimum package or print order you must purchase, but we always recommend professional-quality prints for their quality and longevity.

<b><u>Package 1: \$370 (Save \$60)</u></b>	<b><u>Package 2: \$210 (Save \$40)</u></b>	<b><u>Package 3: \$65 (Save \$20)</u></b>
